Website Advertising Program

www.piscataquischamber.com

The Piscataquis Chamber of Commerce is excited to offer our members two advertising opportunities on our new website! Currently we are averaging 7000 to 8,000 visits per month with expectations of 12,000 visits on the new website. We want to place your business out in front of our internet visitors. We have two great advertising programs to do just that.

- 1) Website Home Page Ad Program** - As a home page advertiser you will have a two business-card-size full color ad displayed on the home page of our new web site for all visitors to see. This tremendous opportunity will only be available to 15 businesses. The ads will rotate equally and only one ad will display at a time. Your ad will also contain a direct link to your website.

The Cost is \$100 per month or \$1000 if paid 12 months in advance.

- 2) Membership Directory Ad** – As a membership directory advertiser you will have a full color business-card-size ad that displays at the top of the member directory pages. Ad displays are also driven by keyword searches. Every time a user of our website is looking for your services or products your ad will be displayed with a direct link to your website. No more than four ads will display at a time and will rotate equally with other advertisers.

The cost is \$250 annually.
